Experience

Boost Software Development | Bahir Dar **Full Stack Web Developer | 08/2024 - 11/2024**

- Built and enhanced a web app connecting clients and lawyers, improving service requests and case follow-ups.
- Developed responsive front-end interfaces using React.js and Tailwind CSS.
- Integrated RESTful APIs and collaborated on backend features for authentication and data management.
- Tested, debugged, and deployed features while following Agile development practices.

Ethioden | Bahir Dar **Web Developer Intern | 06/2024 - 08/2024**

- Assisted in the design, development, and maintenance of responsive web applications using React.js, Tailwind CSS, JavaScript, and modern frameworks.
- Collaborated with senior developers to implement new features, fix bugs, and optimize existing code for better performance and scalability.
- Gained hands-on experience in front-end and back-end integration, working with APIs and databases to deliver dynamic content.
- Tested, debugged, and documented web modules, ensuring cross-browser compatibility and adherence to company coding standards.
- Supported the team in deploying and monitoring updates to live environments, enhancing real-world project management skills.

Skills

Technical:

Frontend: React.js, Vue.js, Tailwind CSS, JavaScript (ES6+), HTML5, CSS3

Backend : Node.js, Go (Golang), Express.js, Php, RESTful API integration

Database: MySQL, MongoDB, PostgreSQL, Firebase

Version Control: Git & GitHub
Deployment: Vercel, Netlify

Education

Bahir Dar University | Bahirdar, ethiopia
Computer Science | 05/2021-06/2025

- **Bachelor's Degree in Computer Science** – Successfully completed with strong performance in core computing and software engineering subjects.
- **Relevant Coursework:** Completed key courses such as Data Structures, Algorithms, Database Management Systems, and Machine Learning.
- **Final Year Project:** Developed an AI-based job recommender system integrating a React frontend, FastAPI backend, and PostgreSQL database with intelligent resume matching.
- **Scholarship Recipient – Minab IT Solution (with Bahir Dar University):** Completed a 3-month intensive training covering Vue.js, Tailwind CSS, GraphQL, Docker, Hasura, Dart, Flutter, state management, and modern front-end design tools.
- **Certifications:** Completed additional online programs (e.g., 5M Coders, Coursera) to strengthen technical and soft skills.
